

# Perpetual Access Information in Serials Holdings Records

Andrew Grissom, Circulation Supervisor (Rhodes College) + Electronic  
Resources Management Intern (University of Memphis)

*In Absentia*

Steven Knowlton, Head of Collection Management (University of Memphis)

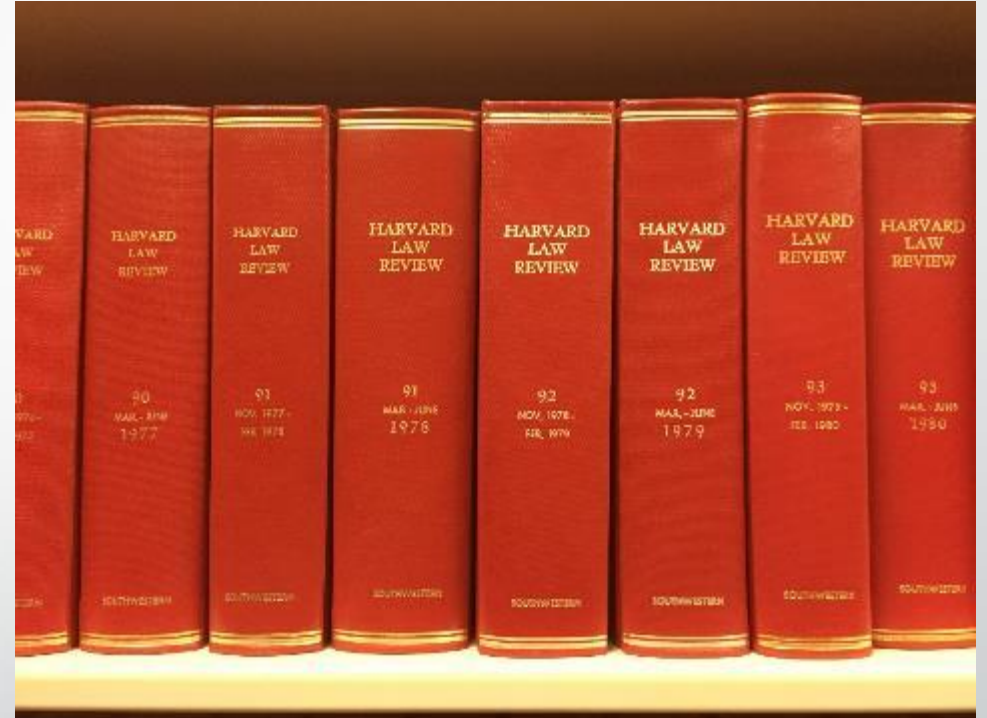

Rachel Scott, Integrated Library Systems Librarian (University of Memphis)

# Background

# What Is Perpetual Access?

A Quick Overview

# Definitions

“...the right to permanently access licensed materials paid for during the period of the licensed agreement.”

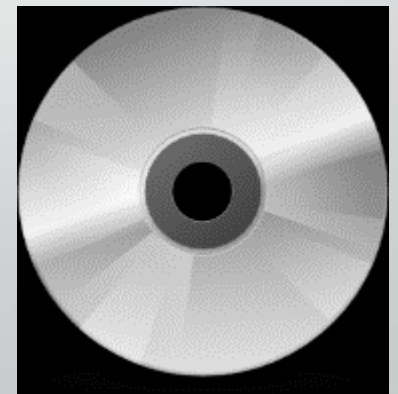

- Digital Library Federation's Electronic Resources Management Initiative (2004)

“...access to the years of content paid before the affected serials were canceled, ceased publication, or transferred to different publishers.”

- Sarah Glasser (2014)

# Challenges

- Vague terms in license agreements
- Coverage of terms
- Delivery of content
- Fees
- Staff time
- Tracking strategies

# Strategies

- Electronic Resource Management Systems (ERMS)
- Integrated Library Systems (ILS)
- Spreadsheets
- Link Resolvers
- Subscription agent platforms

# Calvert's Model

- Does the publisher/license grant perpetual access?
- To which years are we entitled access?
- Which years can we currently access?
- How much time should staff spend on resolving discrepancies?
- Goals: "to ensure perpetual access is set up properly when a journal is cancelled; to assist staff when troubleshooting access problems; and to verify ongoing access to the title."

# License Analysis

loading (e.g., the use of automated "robots" or  
ing or attempting to download in a short time  
s of subscribed-to or unsubscribed-to Scitation  
stracts and/or full text articles from entire journal  
search results), service bureau redistribution  
fee-for-service purposes and/or the systematic  
ronic copies for transmission to non-subscribers  
stitutions are prohibited. For example, the use of  
for document delivery services other than  
as described in Section 4, is prohibited.  
of Scitation or Online Journals for the purpose  
d systematic and persistent local copies (not  
amic caches of individually requested material)  
rohibited. All rights not expressly granted are  
copyright holder of the Online Journal. The  
zed Users may not circumvent AIP Publishing's  
or use A  
ain unau

8. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to Scitation at any time. AIP Publishing, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. AIP Publishing will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such correction.

9. Archive Rights of Subscribers

(The following section only applies to those Online Journals published under the copyright of the AIP Publishing LLC, as indicated in Section 1.) In the case of a discrepancy between the print and online version, the online version will be taken as the version of record. In the event Subscriber lapses or cancels a title, Subscriber will retain online access to each year of content for which a paid subscription was maintained, beginning with the 1999 term. There is no charge for such access as long as subscriber has an active paid subscription to any AIP Publishing archival journal. If Subscriber lapses all AIP Publishing titles, then AIP Publishing will charge an annual maintenance fee for continued online access to any previously subscribed material. The Subscriber also has the option to host such content, starting with the 1999 subscription year and published during the term for which a paid subscription was maintained, on the Subscriber's computer networks, for distribution only to Authorized Users within the Authorized Site. Any hardware or software required to distribute content from the archive will be the responsibility of the Subscriber. The definitions of Authorized Site, Authorized Users, and allowed and prohibited uses as provided in this License shall otherwise apply to the locally hosted content.

10. Disclaimer of Warranties; Limitation of Liability; Indemnification

AIP Publishing warrants that it is entitled to grant the licenses granted in this License, and is authorized to execute this License on behalf of the publishing customers indicated in Section 1. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, AIP PUBLISHING MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ONLINE

# Metadata: Sierra Options

## Fixed-Length Fields

- Single character “codes” and corresponding label of up to twenty-five characters
- Limited maximum number of codes in each fixed-length field
- Appear in every record of a given type but are not repeatable
- Generates cleaner reports

Serial Code 1

p CONTENT PUBL UNDER SUB

## Variable-Length Fields

- Free text
- Much longer length limits
- Repeatable
- Leave room for human error
- More difficult for generating reports

Examples

Internal Note

Publisher has account with Portico for backup access.
