Idea Exchange

Please Vote, Comment, Rate Importance!

The screenshot shows the 'innovative' logo (Part of Clarivate) and 'Idea Exchange' header. Below is a banner with the text 'Innovate with us' and a sub-header 'Submit your ideas to the community, explore and support others ideas and be a part of the innovation process'. Two main action buttons are visible: 'Have an idea?' (Submit your idea for the community to vote on) and 'Vote your favorite ideas!' (Help promote the ideas that will be most impactful for you and your users). A 'Product Forums' section lists 'ILS - Polaris' (129 ideas submitted) and 'ILS - Sierra' (91 ideas submitted), each with a right-pointing arrow.
