The screenshot shows the Leap web application interface. At the top, a green notification bar states "The patron record has been created" with a blue arrow pointing to it. Below this, the profile for "SHANNON MORGAN TEST" is displayed, including the barcode "23763001064878" and the library "ORION TOWNSHIP PUBLIC LIBRARY". The registration form fields are visible, showing the patron's name, address, and registration date. A sidebar on the left lists various profile management options like "Profile", "Attributes", "Email", and "Address".

Success!!!

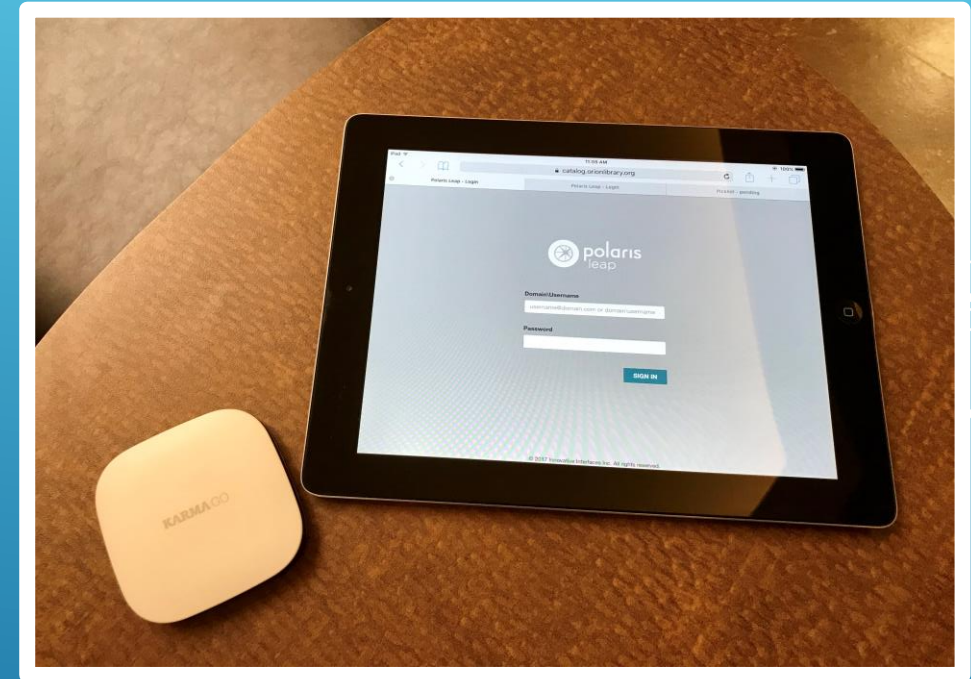

Remember to keep a list of names and card numbers so Support Services can update Census Tract and make sure all fields are filled in correctly.

REMEMBER TO LOG OUT OF LEAP WHEN YOUR BOOK BIKE SESSION IS DONE.

This screenshot shows the top navigation bar of the Leap application. The user's name "sschmidt (ORI)" is in the top right corner, and a dropdown menu is open, showing options for "Settings", "Clear Cache", and "Logout". A blue arrow points to the "Logout" option. Below the navigation bar, there are buttons for "CHECK IN" and "NEW PATRON". The main content area features a quote by Ernest Hemingway: "I like to listen. I have learned a great deal from listening carefully. Most people never listen."

USING & KEEPING THE EQUIPMENT CHARGED

- This is where we had the most difficulty - IT Dept. to the rescue.
- Equipment training is important – not all staff are Tech Gurus.
- Keeping it charged – we have a dedicated space to keep both items.
- Remembering to log out of LEAP when you are finished with your ride is important.

SELECTING MATERIALS FOR A SUCCESSFUL RIDE

Librarians choose items related to the event they are going to

- Flower Fair - gardening books
- Music in the Park - books related to type of music being performed
- Children's Park - picture books and board books

Librarians also select items from our Friends' book sale as giveaways – very popular!!

WHAT WE LEARNED THE FIRST YEAR

- Freebies are the BEST!!!
- Get to concerts ½ hour before start time
- Go to bus stops in the morning before school
- Get bug spray & sunscreen
- It takes longer to ride to some locations than you think
- LEAP is very user friendly – staff had an easy time learning and using
- Created a partnership with a local charity Holy Spokes

HOLY SPOKES

- Rebuild, Recycle & Regive
- Performed maintenance
- Upgraded tires
- “Bike the Polly Ann Trail” event
- “Silent Ride” event

OTHER WAYS WE USE LEAP AT OTPL

- **Picklist** - for local holds and interloan holds
- **Searching** - instead of the Pac or staff client
- **Orion Center Library** - circulation at our local senior center library
- **Future use** - at the customer service desk
